

Empowering Leadership Assessment

CHURCH LEADERS

Learn how you impact others so you can grow in your ability to empower others.

Identify the following keys to empowering leadership:

Vision

The ability to cast and release vision toward a preferred future.

Strategy

The ability to set goals that turn vision into an actionable plan.

Experimentation

The willingness to take risks and learn from mistakes to get to where you are going.

Training Others

The ability to teach and model the skills necessary to advance the mission.

Capacity

The ability to clearly understand the limitation and potential of strengths and weaknesses.

Progression

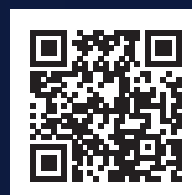

The energy and motivation to make steady progress while advocating bold moves.
