

Ministry Area Profile

CHURCH COMMUNITIES

Learn about your community so you can make informed decisions about your church's ministry initiatives.

Understand Key Aspects of Your Surrounding Area:

Demographic

Gather data on age, marital status, household composition, education, and economic trends in your area.

Social

Learn how different people think and feel about social and moral issues in our world.

Lifestyle

Learn how to effectively minister to groups in your community based on lifestyle & marketing preferences.

Ethnic

Obtain a cultural snapshot of the different people groups and languages in your community.

Spiritual

Identify religious pulse of the search area, including the non-religious statistics in your community.

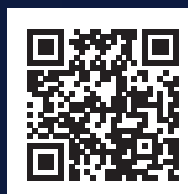

Comparative

Understand how your church members compare with those in your search area.
